Jacksonville Golf & Country Club
Benefitting Taylor Residences

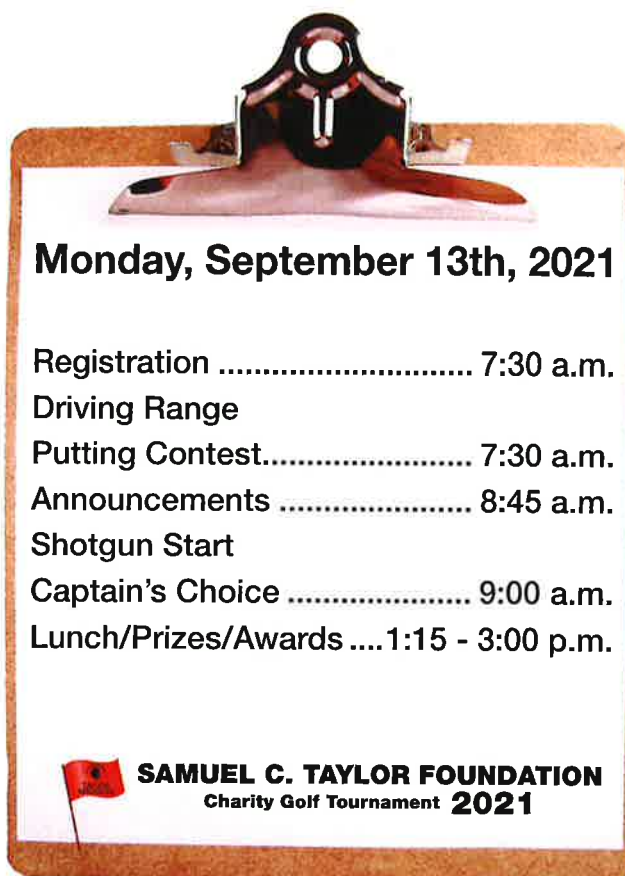

JOIN US ON THE COURSE FOR A GREAT CAUSE!

For more than 49 years, the mission of Taylor Residences is to provide individuals age 62 and older with affordable housing in a community that values independence, privacy and dignity. Samuel C. Taylor Foundation believed in this mission and left his estate in 1963 to set up the Samuel C. Taylor Foundation to support the older adults of our community. We uphold his mission and encourage our residents to realize their physical, social and spiritual potential through quality housing and services that include independent living, assisted living, memory care, skilled nursing care, Drs. office and Wellness Center.

The Samuel C. Taylor Foundation charity golf tournament raises funds to benefit low income seniors at Taylor Residences. In addition to playing for this cause, it is a wonderful networking opportunity. After a morning of golf, join us for lunch and network with fellow companies and create future clients and contacts.

***We thank you
for your support in Continuing the
Mission and we hope you enjoy a day
filled with great golf and great people
for a great cause.***
